

APPEAL

The Holy Orthodox Metropolis of Boston and His Eminence, Metropolitan Ephraim are requesting the assistance of the faithful.

Clergymen who have voluntarily left HOCNA have seized Metropolitan Ephraim's cathedral which has always belonged to either Holy Transfiguration Monastery or the Metropolis of Boston.

These same clergymen have commenced a lawsuit against Metropolitan Ephraim as the head of the Metropolis claiming that the property should be awarded to them.

To safeguard and protect the needs of the parishioners and faithful who remain steadfast in their support and love for Metropolitan Ephraim and Holy Transfiguration Monastery attorneys have been hired to defend against this illegal seizure.

Donations, in any amount, are therefore requested payable to
